Dear Ms. McCormick:

At its March 18, 2020, meeting, the Board of Nursing (Board) re-approved Chatfield College Community Health Worker Program as a community health worker training program.

Approval of a community health worker training program is valid for a two-year period, provided the program demonstrates that the standards set forth in Chapter 4723-26, Ohio Administrative Code (OAC), are met and maintained.

If you have any questions or concerns about the information in this letter, please contact the Board's Education Unit at education@nursing.ohio.gov
